WATER BOTTLES

Please make sure your child has a water bottle in school, so they can keep hydrated during lessons. Please only send your child with water to drink in this bottle. This is particularly important as we move into the summer months.

SNACKS

It is a great idea to give your child a snack to eat at break-time. Please remember that this should be healthy e.g. fruit, rather than chocolate or crisps.

LIFE IN THE STONE AGE

Welcome back! We hope you had a great week off and are ready for the final half of the year to commence!

This term our topic is "Life in the Stone Age". See what you can find out at home:
www.dkfindout.com/uk/history/stone-age/
www.bbc.com/bitesize/topics/z82hsbk

We are going to be basing lots of our learning around two books: Ug by Raymond Briggs and The Pebble In My Pocket by Meredith Hooper

and Chris Coady. We will be using these texts to find out all about life in the Stone Age and to discover what it was like to live during this time.

Our Science topic is 'Rocks' and we will even be having a 'rock expert' visit us to explain all about the different types of rock.

READING

Children are expected to read at home every day. This is absolutely vital to their overall learning. Please sign the Reading Record daily and include any comments or questions about your child's reading.

LEARNING AT HOME

We hope to encourage all of our pupils to carry out their home learning as well as some additional learning. Please use the following websites to support learning at home.

PE KITS

Children should have a PE kit in school every day in case of timetable changes. Please also make sure their kit, listed below, is named to avoid items being lost.

- Rubber soled plimsolls or trainers
- White plain T Shirt
- Black gym shorts
