

<p>Can you collect litter while on a walk near your home? Take a photo!</p> 	<p>Make a poster about keeping Hastings tidy.</p> 	<p>Can you find out what a pangolin is?</p> 
<p>Make a mini garden in a recycled container.</p> 	<p>Count how many birds you can see from your window in half an hour.</p> 	<p>Make a rain gauge with your own scale and measure the rainfall in March.</p> 
<p>Measure a one metre square on grass and draw everything you can see in that square.</p> 	<p>Write a story about a creature who gets caught in litter and describe how they are rescued.</p> 	<p>Create a creature from recycled materials.</p> 

### Year 2 Home Learning – There is no planet B.

This term your home learning tasks are based on our environment focus which is about how we can save our planet. You need to complete as many activities as possible.

Children will be awarded a bronze certificate for completing 7 tasks, a silver certificate for 8 tasks and a gold certificate for 9 tasks.

Here are some ideas for how you could present your home learning work:

- photographs
- drawings
- power-point
- scrap-book

Remember to take care with each piece of work. This work is going to show case your fantastic home learning.

Your home learning is due on 27<sup>th</sup> March 2019. If you want to hand some of it in before this date, please do!
