

### Weekly Homework

There will also be weekly activities sent out in their homework books. This will include their spelling words and times table activities.

By the end of Year 4 they must know all of their multiplication and division facts up to 12!

As a school, we are focusing on reading and encouraging all children to read more regularly at home – aiming for at least 5 times a week.

Ensure your child reads with an adult at least 5 times a week and they will receive a reading medal, a dip in my reward tin **and** a stamp in their Reading Passport!

In response to recent parent surveys, homework at Churchwood has changed!

### Let's get creative!

These are **enrichment activities** that you may choose to do with your child at home, to support their learning. Pick at least 2 and please hand these into Miss Klein by **Friday 17<sup>th</sup> May**.

### History

Research at least 5 new facts about the Native Americans to tie in with our new topic.

Present your findings however you wish – it will be displayed on our Topic wall!

### D.T

As it is Easter, you could decorate your own Easter egg! Boil an egg first to save on any dropped messy disasters! Then, decorate to your heart's content with felt tip pens, paints, whatever works for you!

### Maths

Complete your Easter Problem Solving Maths pack. If you need any help, please find me, Miss Dodd or Mrs Clements before the deadline!

## CHURCHWOOD PRIMARY ACADEMY Totem Poles and Campfires Homework Year 4 – Term 5

### Cookery

Cook, bake, create any Easter themed food you wish!

You can either write down or copy the recipe you followed, take photographs or bring in a taster, whichever you prefer!

### Art

Dream catchers are a Native American tradition. Research at least 5 facts and design your own – you don't need to make it, we will do this at school!

### Science

Our Science topic in Term 5 is sound. Go on your own 'Sound Walk' and record the different things you hear.
