

Here are some enrichment activities that your child can complete at home to support their learning this coming term. Please help your child complete two or more activities of their choice. Projects should be brought into school by **Friday 5th June**, though projects are welcome in before this date, as and when they are completed.

Discover!

Write an acrostic poem about Fishermen in Hastings. You could decorate your page when you have finished the writing.

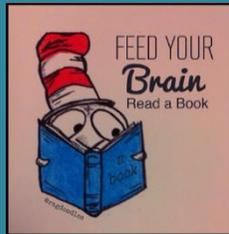

Research!

Use the internet or books to find out what life at sea was like in the 18 and 1900s. Write a fact file to show the perils that fishermen faced or what it was like for the fishermen's families.

You could find out about specific figures, like Alfred Stonham (aka Bidy the Tubman).

You may find that you have relatives that were (or still are) involved in the fishing industry. You may know someone that still is. See what you can find out!

Reading Expectations

Please continue to support your child by listening to them read for 5-10 minutes each day and talk about what they have read.

As with many other things, the more frequently children practice their reading, the better they will become. Children are rewarded with the opportunity to read with Diesel the dog, a dip our prize box and a stamp on their reading passport. The further they have travelled on their reading passport, the better their chance of getting to go to Kidzania in July!

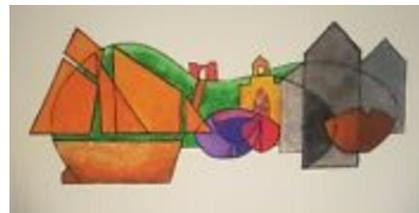

RX Hands on deck!

Homework for Year 2, Term 6

EAST HILL CRY AND NET HUTS, OLD HASTINGS, D. 964

Visit!

We will be studying the artist Stan Rosenthal. Take a trip to the beach to make a sketch or take photos of the net shops and the boats.

Use your sketch to paint a Rosenthal-inspired painting.

Create!

The Hastings net shops are unique and have stood on the single beach for many years.

Create a net shop of your own. It must be at least two stories high and have enough space to store all the necessary fishing equipment.

Surprise us!

One World Fortnight 2019!

Next term we are holding a fortnight's events, with each class celebrating a different country – their culture, language and art.

Year 2 are focusing on...

The Middle East

from Arabia to Zavar

Design your own piece of work to do with this incredible part of the world.

Go wild and be as creative as you can!
