

**Visit the seaside.
We would love to hear
about where you went
and who you saw.**

**Make and decorate
biscuits with a seaside
theme!**

**Create a model of a place
at the seaside. Can you
use recycled materials.**

**Find out about a
creature who lives in the
sea. Maybe you could
write what you know, or
make a video report!**

**Visit the fishing huts and
Fisherman's Museum in
Hastings (it's free entry)
to find out about fishing
in Hastings. Perhaps you
could taste some fresh
local fish.**

**Visit a lifeboat station
and find out about the
jobs that people do there.**
In Hastings it is free to visit and there
are often exercise launches to
watch. Follow on Facebook to find
out when.

**Make your own book
and write a story for us
to read in school.**

**Help set the table for
dinner with your family
or your toys!**

Count how many plates, knives
and forks you will need. Maybe
counting in twos will help!

**See how many words you
can read on signs when
you are out for a walk.**

Beside the seaside

Reception Home Learning

Please complete as many home learning experiences as you wish. Four or more would be amazing!

Tick the experiences as you go.

Here are some ideas for how you could present your home learning:

- ☺ Take photographs to share at school.
- ☺ Encourage your child to draw pictures and write sentences about their learning.
- ☺ Ask friends or family members to write a review for things you cook, make or do.
- ☺ Record new experiences and achievements on a Wow Slip.
