

Maths

The Victorians used to chant lots of their arithmetic to make sure they remembered! Times tables, adding and subtracting were really important. Can you create a poster showing some important times table facts, and perhaps research how the Victorians managed to remember them so well!

English

What was it like to be a Victorian school child? Can you research some of the differences and then write a diary as a Victorian school child?

DT

Victorians had very different recipes to us now! Cook something Victorian (with an adult's help). Look at this website: <https://www.historyextra.com/period/victorian/7-victorian-recipes/> for ideas

Victorian London Homework

Year 5-Term 6

Please complete at least 2 of these, of your child's choice, by the Friday 5th July.

ONE WORLD FORTNIGHT

For the first two weeks of term, we will be looking at South Africa! Can you create a fact file about South Africa?! Make sure it is bright and colourful!

Surprise me!

Don't like any of the choices? Choose a different way to demonstrate your learning on the topic of London!

History

How has London changed since the Victorians? Can you research and present some of the differences?

OR

Who was Queen Victoria? Compare her and the royal family today!

Visit!

Can you visit Hastings local museum? They may have interesting facts about Victorians and it is free!
