

Weekly Homework

There will also be weekly activities to complete; their focus spelling words and Mathletics activities.

By the end of Year 4 they must know all of their multiplication and division facts up to 12!

As a school, we are focusing on reading and encouraging all children to read more regularly at home – aiming for at least 5 times a week.

Ensure your child reads with an adult at least 5 times a week and they will receive a reading medal, a dip in my reward tin **and** a stamp in their Reading Passport!

In response to recent parent surveys, homework at Churchwood has changed!

Let's get creative!

These are **enrichment activities** that you may choose to do with your child at home, to support their learning. Pick at least 2 and please hand these into Miss Klein by **Friday 5th July**.

History

Research at least 5 new facts about the Tudors and present these however you wish! It will then be displayed on our Topic wall. What can you find out about Henry VIII?

Geography

The Tudors travelled all around Britain.

Using a map of the country, mark where they have been known to have settled.

This website is quite useful:

<https://www.natgeokids.com/uk/discover/history/general-history/tudor-facts/>

Cooking

Create an Arctic themed bake!

Remember, you can:

-make it at home and bring in pictures or the recipe

-bring in a taster

-or if you really want, enough for the class – but you don't have to do this!

 **CHURCHWOOD
PRIMARY
ACADEMY**
Off With Her Head!
Homework
Year 4 – Term 6

One World Fortnight

For the first 2 weeks of Term 6, the academy will be in the throes of 'One World Fortnight'.

Each class has decided upon a country to focus their learning on – Year 4's will be the Arctic!

As a homework task, you could research at least 5 facts about the Arctic and present these however you wish!

You could research the environment, any famous explorers linked to this area of the world, the wildlife...anything!

D.T

Create a crown that would be fit for a King! (Henry VIII...you could also win brownie points and create one for a Queen...☺)

You could research crowns worn in Tudor times for inspiration.

If you need any materials, visit the Art cupboard with Miss Klein!

Science

Our Science topic in Term 6 is 'Animals and Humans'.

Draw and label a skeleton!

It could be a human skeleton or any animal you wish. Use the internet or any books you may have (or take a peek in our library) to label the bones and/or muscles!
