

Term 5

Key Dates for the Diary

Reflection Space	24th - 28th April
Year 3 Educational Visit	Details to follow
Celebration afternoon	25th May 2.30pm
Completed home learning projects	22nd May

PE

Our P.E sessions are twice a week, on a Monday and Tuesday.

Each child needs a white t-shirt, black shorts and plimsolls.

Please ensure that your child has their kit on these days so they do not miss out and that your child's PE kit is fully named.

CELEBRATION AFTERNOONS

To support parents in celebrating their child's achievements with them, we will be offering 'Celebration Open Afternoons' from Term 5 onwards. Parents are invited to join us in our classrooms on **Thursday 25th May** at **2.30pm**. We hope to see lots of parents at this event.

THE IRON FIST

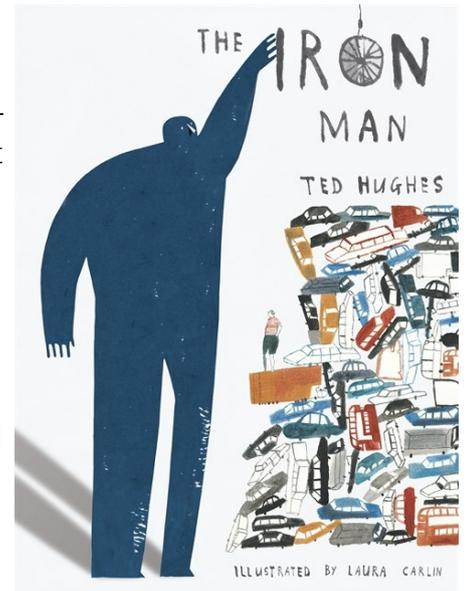

In English, we follow The Power of Reading curriculum which involves us following a focus text across the course of the term. All of our learning, where possible, is centred around this text.

Our focus text this term will be 'The Iron Man' by Ted Hughes and illustrated by Laura Carlin.

In Maths we will be learning about division and ensuring that we know our 3, 4 and 8 times tables. We will also be learning about fractions and angles.

In computing we will be developing our understanding of safe internet searching and also developing our typing skills.

Home Reading: Each child will bring home their reading book and reading record every night. It is extremely beneficial to your child's learning if you can listen to them read each evening or as often as possible. We appreciate your support with this.

HOME LEARNING

To link in with our learning journey this term, we would like the children to create their own version of Iron Man using recycled materials, such as milk bottles, cartons, bottle lids, etc.

The children will vote for the most creative project and a prize will be awarded.

MARVELLOUS MIGRATION

The children created book covers by studying patterns of birds migrating and using these patterns to create their own images.

The children worked extremely hard throughout the course of term four and really enjoyed our topic on migration.
