

Term 6

Key Dates for the Diary

16th June	SRE parents' meeting.
Various	Secondary transition meetings
13th July	Year 6 Trip
19th July	Year 6 Performance
21st July	Leavers' Assembly - 9.30am

SRE

We will be carrying out the final stage of our Sex and Relationships Education this term. There will be an opportunity beforehand for parents to view the video and chat to teachers if needed at our Parent Meeting on Friday 16th June at 3.30pm.

P.E KIT

Hopefully we will be doing P.E outside more now Summer is here. Please ensure your child has the correct P.E kit for the final term:
White T-shirt, Black shorts and black shoes.

SATs

A huge well done to all of Year 6 who made us extremely proud during SATs week. The tests proved quite challenging and the children showed resilience and determination. A huge well done to all of the children!

A trip to the weird and wonderful!

Welcome to our final term! With SATs over and only two weeks left until the writing assessment deadline, we have our final push on creating some beautiful pieces of writing to show off our talented pupils.

We want to end the year with two wonderful books: 'The Journey' and 'Uncle Montague's Tale's of Terror'. One is a beautiful story of new beginnings and great hope whilst the other is filled with bone chilling and exciting short stories.

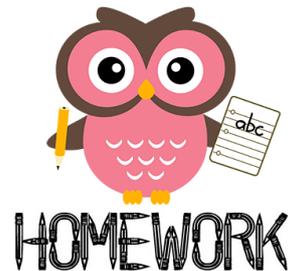

We have booked our year 6 trip for 13th July and will be gone for the whole day. There will be a cost which we will keep to a minimum. Thank you in anticipation of your support with this. More details to follow!

Have you a budding entrepreneur? We will be participating in the national scheme 'The Fiver Challenge' giving each pupil £5 start up capital to invest in a small business idea. With the support of parents and teaching staff, pupils will need to earn the initial monies back and see just how much profit they can make. I won-

HOME LEARNING

With the pupils entering their final term at the Baird we would like them to create a trilogy of themselves. Focusing on:

1. When they started school
2. Where / who they are now
3. Where they'd like to be in the future

We would love the pupils to be creative with how they choose to express these and look forward to celebrating their achievements and aspirations.

Thank you to all the parents that joined us for our Science investigation. It was a tough term with the SATs tests and we still managed to read two amazing books!
