

Summary of the Year 2016-2017

Pupil Premium is now in a much better position than it was a year ago. There is a dedicated member of staff to oversee it and a nominated governor to support. Training has been delivered for staff and governors and this has raised the profile and awareness. Regular updates have also ensured that we have done our best to encourage families to apply if eligible and this has seen numbers rise.

Quality First teaching is valued within the school and we have a rigorous regime of observations, learning walks, peer reviews and book moderations which aims to support all our pupils to the best of our abilities.
