Friday 3rd November

Dear Parents and Carers,

Re: Aspiration Theme Day – Friday 10th November 2017

As you will hopefully be aware, at the start of September we relaunched our Vision and Values with both pupils and staff.

Our new Values, which replace the KERRI Code are now as follows:

- Aspiration
- Respect
- Resilience
- Love of Learning
- Independence
- Inclusion

To encourage our pupils to think about their futures and aspire for excellence, on **Friday 10th November**, we will be holding an **Aspiration Theme Day**.

Across the course of the day, we will be focusing on the range of jobs and life opportunities that might be available to our pupils in the future and encouraging our pupils to think about their futures and what they might like to do to 'Fly High'.

On Friday 10th November, the pupils are invited to come to school dressed as something or someone they aspire to be in the future. This could be a fireman, teacher, lawyer, mechanic, hair dresser, architect or anything they aspire to be in the future. We will be discussing the children's aspirations with them and looking at how we can support them to achieve their goals.

We hope to be able to offer pupils the opportunity to talk to people in different professions and to get a feel for what these jobs offer. If you feel that you have a job that you would like to inspire pupils about, please get in touch with Mrs Welch on office@thebairdprimaryacademy.org.uk and come and join us on this day.

We hope that you will feel this is a beneficial day for our pupils and look forward to sharing our experiences on the website and Facebook.

Yours sincerely

Mrs C Welch
Principal
