KS1 Christmas performance	Tuesday 19th December 2017 2:00pm
Christmas Jumper Day	Wednesday 20th December 2017
Christmas dinner	Wednesday 20th December 2017

Head Lice

We have noticed an increase in the number of children with head lice. Please take the time to check your child's hair weekly to break the 'egg to lice' cycle. If you would like support with this, please speak to Mrs Jarvis.

Look What We Have Found!

Already this term we have discovered a crashed spaceship! We found this in the nature garden one morning and it has inspired us to produce some amazing writing!

Our new topic this term is 'Space'. We will be learning about the history of space exploration, making fruit rockets in D&T, learning about different materials in science, creating digital art in Computing, Gymnastics in P.E and working towards our Christmas production.

HOME LEARNING

The Baird Primary Academy expect every child to have the opportunity to read to an adult at home **every day**. Each week your child will be given homework on a Friday. This will include spellings to practise and learn and a maths activity; it is expected that these will be returned by the following Wednesday.

Home Learning Project

This term's 'Home Learning Project' is to produce an alien! This can be done as creatively as you like and your alien should have an alien name! Once the project is completed, your child should bring it in to share with the class before the last week of term.

P.E DAYS

Swifts will have P.E on a Tuesday and Wednesday.

Skylarks will have P.E on Tuesday and Friday.

Children must have P.E kit in school at all times and this should be black plimsolls or trainers, black shorts and a white t-shirt. All of these should be named.
