

Dear Parents and Carers,

The first half term is nearly over and the children have all settled in well. I wanted to take this opportunity to introduce myself as the Pupil Premium Co-ordinator and to the rest of the team Mrs Christine Lea who works with the children over the course of the year and our Pupil Premium Representative from the Local Board, Mrs Claire Cleverton.

You may hear your child talk about “Chooseday Club”. This is the name the children have given to our meetings. It is called Chooseday, because we choose the day we meet and the activities we do. This half term the children have all chosen School Heroes. This is an adult who works in the school who they have chosen to share work and news with.

Being a member of Chooseday Club entitles your child to a free club in Autumn Term.

We also talk to the children about the importance of a positive mind set and becoming a Perseverance Pirate. Please visit our website where there are videos which we have shared with the children.

From time to time we also offer a range of enrichment activities, our next planned one is a sewing activity for children and parents on Monday 13th November.

We also encourage your children to use the Purple Mash website and Mymaths website, your children should have received logins for these. They are also eligible to access a range of on-line e-books from Oxford Owl. Use the links below
