

**Year Two**

**Dewberry  
and  
Mulberry**

## **Newsletter Term Three**

### **Updates and reminders**

Welcome back and Happy New Year! We hope you have had a great holiday and are ready for another fun filled term!

There has been a change to our PE timetable for this term. Both Dewberry and Mulberry classes will now have their PE sessions on a Monday and a Friday afternoon. Please ensure that your child has a full PE kit in school on these days.

<b>Last day of term 3</b>	<b>09.02.18</b>

### **Join us on our exciting learning journey... 'One giant Leap!'**

Our Learning Journey this term will see us exploring an important event that happened in July 1969 ... the Moon landing!

The children will be learning about Neil Armstrong and Buzz Aldrin leading a spaceflight mission to the Moon in aim of being the first humans to walk on the Moon. We will explore the Solar System and .....

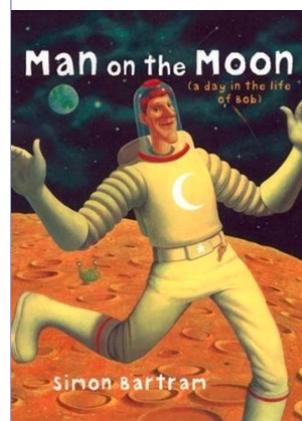

In English this term, the children will be planning and writing their own 'warning tale' based on the

model text 'The Three Little Aliens and the Big Bad Robot.' Later on in the term the pupils will be exploring the story 'Man on the Moon' and writing their own tourist information leaflet.

In Maths the children will be developing their knowledge and understanding of multiplication and division. We will begin the term by recalling multiplication facts and exploring patterns in the 2, 5 and 10 times tables. The chil-

dren will be learning to share and group numbers using arrays.

Later on in the term, the children will be learning about money. The children will learn to recognise coins and make amounts using coins.

### **Learning Journey continued**

#### **Science**

This term our Science topic is Space. The children will be learning about the Solar System, the names of the planets and also information about our closest star.

#### **History**

The children will be learning about the

Apollo 11 mission to the Moon. They will learn about the important people who were on this spaceflight and also information about how they got to and from the Moon.

#### **D&T**

In D&T we will be designing and launching

our own water rockets!

Please send in any empty 2 litre plastic bottles which you may
