

Newsletter Term Three

Term 2 Twinkle Twinkle

Last term Reception further developed their story telling skills as they learnt new tales and added signs to support them to retell the story. They had great fun exploring stories by making Gingerbread Men, creating biscuit characters and exploring spicy dough.

All the children enjoyed their first taster visit to our Woodland area this term. The children used their senses to explore the signs of Autumn in the woods and during our visit to Alexander Park.

Dates for the Diary

Number Day	Friday 2nd February
Number Walk	Please see Dear Parents
Celebration Afternoon 2.15pm	Wednesday 7th February
Going for Gold Sports Activity Day (please come dressed in a sporting outfit)	Friday 5th January
Parents Consultations	Wednesday 31st January

Learning Journey 5,4,3,2,1

This term we will be exploring numbers in different ways. We are planning a walk in the local environment where we will spot numbers, sequences and patterns.

We will be developing our understanding of numbers through talking about what we have found out and how we have solved problems.

We will continue to explore stories around numbers and space such Whatever Next and Aliens love under-

pants. As well as re-telling stories we will be developing our spelling to write labels and captions for our story maps. We will also be learning some new number rhymes and poems and using the language of addition and subtraction.

Number Day
Friday 2nd February

To conclude our Learning Journey we are inviting your child to come to school dressed as a number! It may be on their favourite jumper or football shirt. Maybe they could come dressed as a clock or a playing card? They could be a character associated with a number.

Outdoor Learning

One group of children will take part in outdoor learning this term. Please look out for a letter in your child's book bag that will let you know what to provide for these sessions.

Parents as Partners

Treetoppers

We love hearing about your child's successes at home. Please take a Treetopper from our display and complete one to share your wow moments

Adverse Weather

In the event of adverse weather the school will strive to remain open. If the weather does cause any closures, up-to-date information will be published on: <http://www.eastsussex.gov.uk/educationandlearning/schools/schoolclosures.htm> If our academy is not listed on this website we will be fully open
