

## Term 3

### Key Dates for the Diary

2nd February	Number Day
8th February	Celebration Afternoon, 2.30pm
19th February	INSET days
16th April	
9th February	End of Term 3

### NUM8ER THEME DAY

On the 2nd February we will be asking pupils to dress as something number related for our Number Theme Day, which ties in with the NSPCC's Number Day.

The day will involve a collection of number problems and puzzles and we look forward to the inventive and creative problems that the children come up with.

### P.E. KIT / UNIFORM

Over the course of term 2 it was noted that uniform and P.E kits were often not as required by school policy.

With a fresh start in term 3, please ensure your child has the correct full school uniform, including tie, plain black footwear and complete P.E kit, for the two sessions each week. If they do not have the correct uniform, replacement items will be provided!

### BEHIND THE MASK A Midsummer Night's Dream

Welcome to term 3. We are excited to jump into A Midsummer Night's Dream. We will be reading from different texts, watching clips from associated films and exploring other work by one of the greatest writers of all time; William Shakespeare.

We will be creating props and masks, looking at the history and drama within plays in England. We will hope to make dioramas which can be used for plays that the pupils create. We will look closely at the production methods used to construct the world famous Globe Theatre.

There will be opportunities for us to explore the music of plays both present and past and how the rhythm and tempo of percussion can affect the audience. We will hope to back our plays, created by the pupils, before the end of term.

We will be doing invasion games in P.E. Initially skill based with this leading to competitive games between teams and maybe classes.

Please remember that we have now switched to ParentPay for our meals. All pupils will need to be registered for this. If you've not done so please Complete a form ASAP.

### HOME LEARNING

This term we are posing a bit of a challenge! We would like pupils and carers to create a mask for a play. It will need to be something that can be worn and show creativity! We look forward to seeing our pupils modelling their masks!

### PREPARING FOR SATS

With both terms 3 and 4 being relatively short we are aware that SATS will soon be upon us. We will be sending more support sheets home for both Maths and English. Please assist where you can and do talk to us if you're unsure of any of our techniques.

### FUND RAISING

Following our first attempts at fund raising; Christmas cards and refreshments, we raised over £140!

Our aim this term is to beat that. We will continue to minimise the cost of our trips and have fun raising money...watch this space!

Any more suggestions would be welcome.
