Principal: Carly Welch
Executive Principal: John Smith

Dear Parent/Carer,

We have the following two courses running between now and the end of the academic year.

Keeping Up With The Children Maths

A course for parents/carers of KS2 children to introduce them to what is taught in Maths and the methods of teaching in KS2. Includes addition, subtraction, multiplication, division, percentages, decimals, fractions and measurement.

Location: Baird Primary Academy
Dates: 20th, 27th April, 4th, 11th, 18th & 25th May 2018
Day: Fridays (6-week course)
Time: 9:00 – 11:00 a.m.

Budgeting & Healthy Eating

A practical 4-week course where parents/carers and children are encouraged to join in the fun to make 2 or 3 dishes weekly. Nutrition and current ideas with food are discussed and incorporated to suit family requirements. The course will help families become healthier and save them money.

Location: Baird Primary Academy
Dates: 8th, 15th, 29th June and 6th July 2018
Day: Fridays (4-week course)
Time: 9:00 – 11:00 a.m.

These courses are an opportunity for you to find out how your child is taught in school and also to learn new skills yourself.

Both are free and open to everyone, however they are run by an outside agency who require a minimum number of attendees for them to be able to run. Unfortunately in recent months we have had to cancel courses at the last minute due to poor responses.

Please can I ask that if you are interested in attending either or both courses, or would like further information, you complete the attached form or contact me via the Academy office.

Kind Regards

Steph Jarvis
Safeguarding Officer

I would like to attend the Maths for KS2/Cooking on a Budget (please circle as required)
