Key Dates for the Diary

Stay and play	25.4.18 9.5.18
Hungry Caterpillar Workshop	25.4.18
Celebration afternoon	24.5.18
Last day of term 5	25.5.18

STAY AND PLAY

Come and join us on the mornings of 25th April and 9th May, 8.45-9.30am.

This is an opportunity to talk to the nursery staff and to get involved with your child's learning and development. We hope that you will attend and look forward to welcoming you to these events.

CELEBRATION AFTERNOON

Come along to nursery to celebrate your child's Learning. If you haven't been able to join us at stay and play this is a fabulous opportunity for your child to share their experiences with you.

Thursday 24th May at 2.30pm.

We look forward to seeing you all.

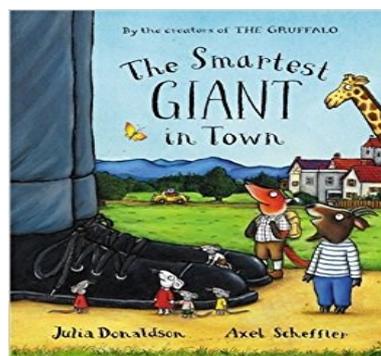

ALL AROUND THE TOWN!

We are taking a good look at the world around us and our local community. Every day the children will be experiencing services in our town, popping to the shops, noticing the Fire Engines and Police cars whizz by, having teeth checked at the dentist or those pre school jobs.

To enrich the children's learning we will be having a visit from a nurse, a Policeman and a lady from the library will be coming to read a story and support us in fostering a love of books.

Now the beautiful weather has arrived, please ensure the children arrive at school wearing sun cream and have a named hat. Where possible we like to spend time learning in the nursery garden, we will limit our time and plenty of water will be available at all times.

This term, our class story will be The Smartest Giant in Town.

On his journey through the town he meets some friends and learns the importance of kindness. What books are the children enjoying at home? Please remember to bring your book marks back Monday to Thursday mornings and we will record their reading.

WHAT HAPPENED LAST TERM?

We had a great time during our **Farmyard Adventures** topic; baking, cooking and growing. The children truly enjoyed hands on learning.

We heard from the children about their home adventures as well; sometimes they bake at home, they've visited a farm and noticed flowers growing outside on their journeys to and from nursery. We would love it if you would share pictures and news with us; this supports our partnership with you and enables us to follow the children's interests.

Take a look at the window display as you arrive at nursery, you can see how busy we have been.

The Puffins' teachers grew an Iris too! How tall is yours and has it flowered? Take a picture and we can compare heights!
