Term 6 Celebration Afternoon	Thurs 12th July 2.30pm

PE

Children should always have a full PE kit in school.

Each child needs a white top, black shorts and plimsolls.

CELEBRATION AFTERNOONS

To support parents in celebrating their child's achievements with them, we will be offering 'Celebration Open Afternoons' Parents are invited to join us in our classrooms on **Thursday 12th July at 2.30pm**. We hope to see lots of parents at this event.

SUMMER SEAWIGS

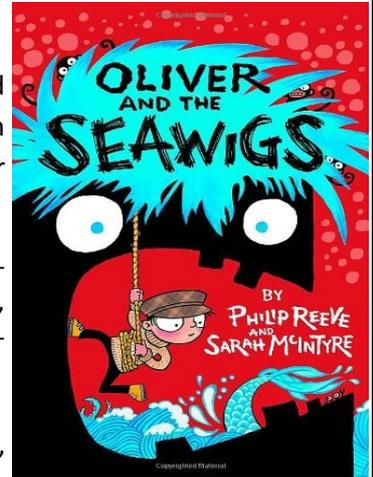

In term 6, our learning is based around Oliver and the Seawigs, by Philip Reeve and illustrated by Sarah McIntyre.

In English, we will be learning to write biographies and different types of poems. We will also be focussing a lot on Year 3 spellings to ensure children are getting ready for Year 4.

In maths we will be deepening our understanding of fractions as well as learning more about 2D and 3D shapes, measures and charts and graphs to develop skills in statistics.

In other learning, we will be looking at famous explorers, learning to be e-safe and setting up science investigations.

Home reading: As well as reading your school reading book each day, please also do some research into a famous person that your child would like to write a biography of.

HOME LEARNING

This term's project is to create a 3D headdress of Seawigs, inspired by our term's reading book. You can choose the materials to make your headdress out of but please make sure it will not fall apart or rot away!

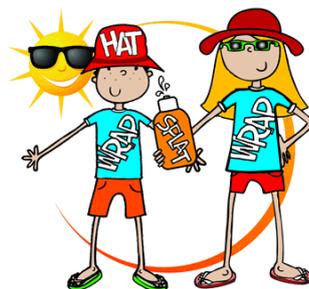

Please ask if you have any questions.
Please bring in your headdress creations before or on the 10th July 2018.

BE SUN SAFE

Please make sure your child has a named water bottle in school so that they can have a drink during the day.

Also remember to send your children in with a hat to protect them from the sun during hot days in the playground.

SEX AND RELATIONSHIPS ED- UCATION

We will be delivering the Year 3 Sex and Relationships curriculum in the second half of this term.

In Year 3, the learning is based around the meaning of stereotypes, the similarities and differences between males and females, and different family types.

We are giving parents and carers the chance to view the materials that will be used, in advance of the lessons. This short meeting will be held after school on Friday 29th June.

If you have any questions, please just come and ask one of us.
