REMINDER

PE is still on Tuesdays and Thursday (Egrets) and Friday (Curlews).

Parents are reminded that children should have appropriate footwear and PE kit.

Also, as the weather warms up please ensure that children are wearing sun cream and have a sun hat.

ALL CHANGE!

This term we are reading a fantastic fiction novel called 'There's a Boy in the Girls' Bathroom' by Louis Sachar. This book follows the journey of a troublesome boy named Bradley Chalkers and how his life changes as he meets different people both at school and at home.

Will he ever change his naughty ways...?

If your child is enjoying this book, why not try getting stuck into 'The Boy in the Girls' Dress' by David Walliams. Let us have their book reviews!

Alongside our topic we will be looking at writing balanced arguments and explanation texts in English, converting measurements in maths and investigating life cycles in science.

In addition, this term year 5 will be looking at changes through puberty and relationships in PHSE. These sessions will take place in class and will start with identifying ground rules for discussion to ensure a supportive environment. Do be prepared to answer any questions that your child may have open and honestly. If you have any questions or concerns, please come in and discuss it with us.

HOME LEARNING

This term's home learning will be to create a timeline of your childhood memories from birth to present day. Remember to include any important achievements such as your first steps, first words, holidays and birthdays.

LAST TERM'S LEARNING CELEBRATION OF WORK

Last term year 5 spent the term looking at Arabian Nights. We had a great term creating colourful wall art displays, writing letters to the King of Saudia Arabia addressing women's rights, learning about geometric artwork and not forgetting making humus! Here are some photos of our learning!
