Term 6

Key Dates for the Diary

6th July	KS2 Sports Day
10th July	Year 6 Trip
11th July	KS2 Parents' Consultations
19th July	2pm Year 6 leavers performance
20th July	Last day of term/year

BARBECUE

Once again we are very grateful to FAB for organising and funding an end of year barbecue for all the Year 6 children.

This will take place on the last day of term and mark the end of our celebrations for that week.

Thank you FAB!

PE DAYS REMINDERS

As ever we will continue to have our timetabled PE sessions during the week. We will also be beginning to prepare for the end of year sports day so please ensure your child has a full PE kit at school each week.

Thank you.

Things that go bump in the night....well Term 6 anyway!

For this term we have dived into the spine-tingling book Uncle Montague's Tales of Terror.

The collection of spooky tales has got the classes hooked already—already we have been blown away by the imagination and quality of writing that the children have produced, not to mention a little spooked!

They have drafted their own cliffhanger stories and will continue with news and police reports about the stories they have read.

However, the term will also mark the end of the classes' time at The Baird and we will ensure that they have a good send-off, assisted by FAB and the rest of the school. There will be a barbecue, trips, performances, sports, as well as what we hope, will be some wonderful memories of their time with us here.

Thank you to all of our families for such great support through the year.

End of Year Trip

With the end of Year 6 moving ever closer we are all looking forward to our upcoming trip to the Science Museum in London.

We will have the opportunity to experience flight in the Red Arrows simulator, experience exciting experiments in the Wonderlab and watch an immersive Think Big film on their IMAX screen. In addition we will also be able to wander the halls enjoying the fabulous exhibits. We will return to school at approximately 6-6.30 and will notify you via text and social media if there are any changes to these times.

PREPARING FOR SEPTEMBER

I hope by now you will all have had contact from the schools receiving your children in September. We have begun to welcome representatives who will be speaking about key dates and sharing their plans for the new school year as well as giving the classes an opportunity to ask any questions that they may have.

In addition we have booked some in school workshops that will help address issues with regards to transition next year.

END OF TERM PERFORMANCE

You will shortly be receiving a letter regarding the end of year performance. We have started rehearsing and roles will be cast very shortly, which the children all seem excited by. We cannot wait to see how our performers get on this year!
