

### Weekly Homework

There will also be weekly activities sent out in their homework books. This will include their spelling words and times table activities.

By the end of Year 4 they must know all of their multiplication and division facts up to 12!

As a school we are focusing on reading and encouraging all children to read more regularly at home – aiming for at least 5 times a week.

Ensure your child reads with an adult at least 5 times a week and they will receive a reading medal and a dip in my reward tin!

### Geography

Investigate which countries, rivers and oceans border Egypt.

Find this using the internet, maps or atlases and present your findings however you wish!

### Science

Investigate the changing states of matter in your own home! Carry out experiments that change;

- Solids to liquids
- Liquids to solids
- Liquids to gas
- Gas to liquids

In response to recent parent surveys, homework at Churchwood is changing!

### Let's get creative!

These are **enrichment activities** that you may choose to do with your child at home, to support their learning. Pick at least 2 and please hand these into Miss Klein by 14<sup>th</sup> October.

## Ancient Egypt Homework Year 4 – Term 1

### DT

Using junk materials (old cardboard boxes, cereal boxes etc.), create your own Egyptian model. It could be a pyramid, a mummy, a sphynx...whatever you wish!

### History

Create a fact file about the pyramids of Egypt. **When** were they built? **How** were they built? **What** were they made from? **Why** were they built? **What** are they used for now?

### Art

Egyptians used hieroglyphic symbols as their writing system.

Create your own hieroglyphic symbols for your own language!

### Computing

Create an E-Safety booklet with your child about how to ensure they are being safe on the internet, whether that be on the computer, tablet, mobile phone, Xbox...anything that connects to the internet!
