

Reading Challenge

As a school we are focusing on reading and encouraging all children to read more regularly at home – aiming for at least 5 times a week.

The number of times read at home will be counted each Friday and we are aiming for 100% reading 5 times or more a week. The winning class get Boris and Bella the reading bears for the week

Geography

Select a country who were involved in the war. Research the country and create a fact sheet giving interesting facts and details about the country.

Science

Design and test a parachute (using a toy or weight) that would allow a member of the RAF to land safely.

These are **enrichment activities** that you may choose to do with your child at home, to support their learning. Please complete two or more of these activities by Monday 15th October.

There will also be additional activities that link to recent learning in class and spellings sent out in their homework books – please speak to your child's teacher if you have any queries.

World War Two Homework Year 6 – Term 1

D and T

Try making carrot cookies using the recipe below like they would have in wartime. Ask Miss Dodd for a larger copy if you need one.

Carrot Cookies

1/2 tablespoon margarine
2 tablespoons of sugar and a little extra for sprinkling on top of the cakes
A few drops of vanilla, almond or orange flavouring
4 tablespoons grated raw carrot
6 tablespoons self-raising flour or plain flour and 1/2 teaspoon baking powder

(To get a full tablespoon of margarine or fat, plunge the spoon first into boiling water, then cut out the fat with the hot spoon. In this way, a piece of just the right quantity will be obtained)

Cream the fat & sugar together until it is light and fluffy. Beat in the flavouring and carrot. Fold in the flour. Drop a spoonful of the mixture onto a baking tray to make a cookie. Sprinkle the tops with sugar and bake in a brisk oven for about 20 minutes. Makes 12-15 cakes.

History

Research someone important from WW2 (or a family member who was part of the war if you have one) and write a biography about them.

Art

Design and make a World War Two artefact, e.g. a medal or ration book.

Draw or paint an image of a London skyline during the Blitz.

History

Research and discover about Morse Code.

What was it used for? What do the different codes mean?

Write your family and friends codes to solve?

See if you can write a fact about WW2 in Morse Code for Miss Dodd or Mrs. Warren to decipher!
