

## Reading Challenge

As a school we are focusing on reading and encouraging all children to read more regularly at home – aiming for at least 5 times a week. The number of times read at home will be counted each day and their name will move up the chart. If your child has read 5 or more times per week they will wear a 'Reading Champion' medal to celebration assembly on Friday and the can swap this for a small prize on Friday afternoon.

These are **enrichment activities** that you may choose to do with your child at home, to support their learning.

Please complete at least 2 activities of your child's choice and return to school by Monday 14<sup>th</sup> October for us to share in class.

## English

Make a little book titled 'All About Me'.

You can draw or write any information about yourself.

*What do you like to do?  
What is your favourite food?  
Who is in your family? Etc...*

## Geography

Draw a simple map of your journey to school.

*What buildings do you pass?  
What roads do you travel along?  
Are there any trees or woodland along the way?*

# CHURCHWOOD PRIMARY ACADEMY

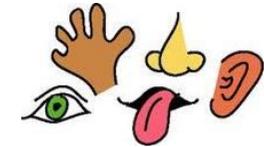

## Me, Myself and I

## Homework

## Year 1 – Term 1

## Science

Draw a poster to show the 5 senses and write a label for each.

## Art

Create a portrait of someone in your family.

You could draw, paint or collage your picture- the more colourful the better!

## Maths

Use a non-standard unit of measure e.g. hands to measure your height and compare it to the height of another family member.

*How many hands tall are you?  
How many hands tall is your family member?*

Draw a picture to show your findings.

## History

Get a photograph or draw a picture of yourself as a baby and yourself now.

Write a sentence to express the ways in which you have changed from when you were a baby.
