

DT

Have a go at cooking some Ancient Greek foods. Look for some great ideas on this website:

<https://www.thespruceeats.com/greek-recipes-for-young-cooks-1706241>

Bring in photos (or even tasters) to show the class!

Science

Archimedes was a Greek scientist! He investigated what happens when you add objects to water. Try this at home, by adding objects to water in a jug and see what happens to the water levels. Write your findings down to share with the class or take some photos!

Maths

Research the link between maths and Ancient Greece. Draw a mind map to present your findings!

Ancient Greece Homework

Year 5-Term 1

In response to our recent parent survey, homework is changing at Churchwood! Let's get creative! Please complete at least 2 of these, of your child's choice, by the last Monday (14th October) of term!

History

Find 10 historical facts about Ancient Greece and present it in whatever way you would like!

Geography

Make a travel brochure about Ancient Greece. Where would you travel to? Where would you stay? Where would you visit?

Art

Theatre was important to the Ancient Greeks! Design and create your own mask for a character from a Greek myth!

Computing

Create an electronic presentation/poster (perhaps on Powerpoint or Word) on information about the Ancient Greeks. Perhaps you can find some interesting information by searching 'Ancient Greeks Info for Kids' on Google.

English

Write a description of your own mythical creature. You could draw an illustration to go with your description!
