

Welcome to Nursery!
A huge welcome to all our returning children and those children who are starting at nursery—we look forward to lots of exiting times in Nursery over the coming months.

Please keep us updated with any changes to medical or contact information

Harvest Celebration afternoon	Wednesday 17th October
End of Term 1	Friday 19th October

Nursery News

A New Term

We hope you all enjoyed a great summer and are ready to commence a new term at Nursery. During our INSET week, all staff have completed further training including first aid, speech & language and safeguarding. We are now all ready to start an exciting term with lots of engaging and stimulating activities planned for all the children in nursery. We would especially like to welcome all the children who have joined us. We look forward to getting to know you

Staff Arrangements

We are very happy to have Amy and Charlene back from maternity leave, and job sharing the Squirrel Room Lead role. We will be saying farewell to Sam later in the term as she goes on maternity leave. We will keep you updated on her replacement

EYEE FUNDING

You will need to complete a claim form for two year old funding and three and four year old funding. This also applies to those families claiming thirty hours. Please complete your form as soon as possible.

EYPP

If you have not yet completed an EYPP claim form then please do so as we may be able to claim additional funding to support your child in nursery.

Session Changes

If you need to make any changes to the days your child attends nursery or plan to make changes over the coming school year, then please speak to Helen as soon as possible.

Lunch Boxes

If your child has items in their lunch and tea boxes that need to be kept cold, then please ensure you place an ice pack inside. We are unable to store lunches or teas in the fridge as we do not have the room. We also encourage parents to provide a healthy lunch for their children, and can give you advice on ideas for healthy eating. Please also note that due to several children in Nursery with a nut allergy, we will strictly be a **NUT FREE NURSERY**. Please ensure that products containing nuts are not in your child's lunch box, this includes peanut butter or Nutella.

A Huge Thank you

For all the gifts received by staff at the end of last term... we are very grateful for your generosity.

Our door is open....

If you have any queries or concerns then do come and speak to Mrs Loftus, Helen, or your child's room lead.
