Nursery News

Changes to 1pm routine

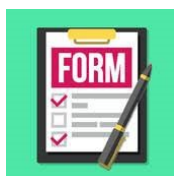

A huge thank you to all parents and carers who have supported us with the change to the 1pm routine. The new system seems to be working really well, ensuring a smoother transition, not only for those children leaving and arriving at 1pm, but also those children who are here for the day. We appreciate your patience when we feel that a change of routine is needed to support not only our nursery children but also parents and carers, to ensure a calmer and less hectic environment at this time.

If you have any feedback regarding this routine then do please let us know

Room Changes in January

If your child will be moving into our Badger Room in January, you will be eligible for EYEE funding. Please ensure you have completed a claim form for this

Christmas Celebrations

The Badgers will be joining the Reception classes to participate in the EYFS performance. The Badgers will be able to choose what they would like to dress as. Please see sign up sheets in the nursery and ensure that your child's costume is in nursery by Tuesday 11th December. We will be asking parents and carers to pay a small fee of £1.00 per ticket to come and watch the performance. This money will go towards some equipment for the children in the new year. All Badger children are invited to participate in the performances, even if they do not usually attend nursery on a Wednesday. Tickets will be available soon

30 Hours Funding

If you are accessing 30 hours of funding per week, please ensure you re-validate your claim or a regular basis
