Dear Parents and Carers,

## **Re: Local Board Recruitment**

Do you have an interest in education and want to make a difference to the lives of pupils at The Baird?

We are currently seeking Local Board Members to work alongside the Principal and other members of the community to contribute to the academy's vision and future strategy.

A key part of the role is to ensure that the academy maintains strong community links and effective communication with all stakeholders, including parents and carers. Local Board members are also responsible for monitoring pupil wellbeing, admissions, complaints and concerns. You may also be asked to participate in formal procedures relating to the exclusion of pupils/students and complaints for which full training will be given.

If this sounds like something that might interest you, we would be very keen to hear from you. More information is attached over the page but please feel free to come and discuss this further with Mrs Welch, or to complete an expression of interest form.

We hope that several parents wish to support The Baird and will see the benefits of joining the Local Board. We look forward to hearing from you.

Yours sincerely

Mrs C Welch  
Principal
