| 15.02.19 | End of Term 3 Last Swimming |

THEME DAY

Tuesday 5th February 2019

Safer Internet Day

www.saferinternetday.org

Please remember to send your child in with a warm coat, hat and gloves as the weather turns colder.

FORAGING FOR FAIRY TALES

This term, our class book is *The Story Collector, The Lion and The Unicorn and Other Hairy Tales* By Jane Ray .

After designing our own mythical creatures, we will be writing explanation texts and creating moving structures in DT, using our made-up creations.

Our science this term will be linked with music, learning about sound, pitch and vibration.

We will be analysing data and creating graphs in computing, linked with climate and temperature in geography.

HOME LEARNING

Please remember to read regularly at home! We believe that a love of reading leads to a love of learning.

For this term's home learning we would like you to create a forest scene including a mythical creature. This could be a painting, a sculpture or junk modelling or any other creative representation. These projects are due in on Monday 11th February - we look forward to seeing them!

EGYPTIAN WHISKERS

Thanks to everyone that made it to Cranes Egyptian assembly - we really enjoyed ourselves!

SWIMMING

Year 4 will be swimming every Friday this term, so children must bring in a swimming costume, swim hat, towel, a bag to carry their kit and a drink of water in a plastic bottle. PE kits will need to be in school on Mondays for Cranes and Wednesdays for Herons.
