

## Dear Parents and Carers 14.01.19

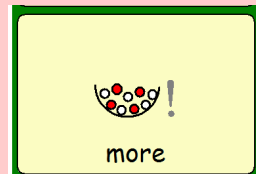

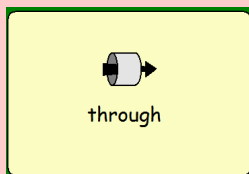

This week the Badgers will be continuing to look at their story 'The Very Hungry Caterpillar'. We will be creating our own butterflies using different types of resources. This includes collage and painting with our hands. We will be using string the wrap around and create a cocoon. We will be using counters to create caterpillars and will count how many we have used, looking at the numerals to match them.

This week the Squirrels will be continuing to read the story of 'The Very Hungry Caterpillar' and we will be finding out all about butterflies. We will be creating butterflies out of play dough, collage and painting our hands! Our concept word this week is 'more' and we will be using compare bears, cubes and natural resources to see who has more?
