

WEST ST LEONARDS PRIMARY ACADEMY

NEWSLETTER

January 25th 2019

We would like to create a 'Clothes Bank' at West St Leonards. If you have any uniform items or undergarments in good condition and would like to donate them please bring them to the school office. We hope to begin this project with uniform and underwear items and then progress in the future to clothing of all types in good condition that we can offer to families requiring assistance or even hold table sales in support of the Friends of West St Leonards.

Please remember to advise children who ride scooters and bikes to school that once they are through the gates that they must come off their bike or scooter and walk it to the bike/scooter racks. This is to ensure the safety of all pupils and visitors.

Last week we held a Quiet Drill in school to practice our lockdown procedures. The pupils did very well and were all secure in classrooms in just over 3 minutes. Well done!
