

## Dear Parents and Carers 28.01.19

This week the Badgers will be finding out about space. We will be using the song 'Five Little Men in a Flying Saucer' as a start to our learning. We will be creating our own aliens using collage and play dough. We will create rockets and will be counting out aliens into flying saucers. We will be doing some baking too! We will make some space themed treats! We will be having a number focus on 'two'.

This week the Squirrels will be singing the song 'Five Little Men in a Flying Saucer' and will be exploring a space theme in the Nursery. We will be creating moon dough as well as making and launching rockets into space. Our concept this week is little and we will be searching for things that are little in our garden and reading the concept cat story all about little.
