

## Dear Parents and Carers 4.02.19

This week the children will be exploring the story of Whatever Next. The children will pretend to go on an adventure and visit different places around the world. They will also be making their own sandwich and healthy picnic to take with them.

The children will be learning about Chinese New Year and their rainbow time activities will incorporate this theme. We would like any wool, Chinese Takeaway tubs, chopsticks and Chinese menus you may have.

In maths we will be looking at different ways to make 9 and re-visiting positional vocabulary.

- Thank you to all parents and carers who attended our parent consultation meeting. We really enjoyed discussing all the children's learning and development with you.
- On Friday 8th February it is Yellow Day. Your child may wear a yellow accessory e.g. socks, hairband to wear alongside their normal school uniform.
- This week's Easy Peasy game is 'Getting Sorted' this will support your child with sorting and counting. Certificates were awarded to the children who were most engaged last week.
