

## Reading Challenge

As a school we are focusing on reading and encouraging all children to read more regularly at home – aiming for at least 5 times a week. Last term, Year 3 reading totals were a little low. Let's get them back up!

## Art

Complete some flower pressing. With the help of youtube.com to show you how, ask an adult to help select a suitable plant to press. Once you have chosen a plant (don't just take flowers from someone's garden without permission) you can press it between the pages of a heavy book.

## History

Create a poster or presentation on how plants have been used for medicine throughout history. Does this still happen today? What were the benefits of this type of medicine?

Half way through the year!! What fantastic enrichment activities you produced last term. I really enjoyed seeing them come in and your enthusiasm was outstanding. The making of the digeridoos was a real highlight – they created some great noises! These are **enrichment activities** that you may choose to do with your child at home, to support their learning. Try to complete them by 29/3/19. Speak to Mr. Gillham if you have any queries.

## Surprise Package

Create a mystery piece of homework for Mr Gillham.

It can be anything you wish – just link it to the topic of **'Spring has Sprung'**.
