

Dear Parents and Carers 4.03.2019

We have had some changes to our timetable. Forest schools will now take place on a Tuesday for all Chestnuts and Wednesday for all Hazelnut children.

Hazelnuts will be taking part in outdoor PE with Miss Isted and Mr Nuttney on Thursdays. Chestnuts will remain on a Monday with Miss Taylor and Mr Nuttney outdoors.

Learning Journey

We will be exploring different foods and where they come from. We will discuss which food groups they fit into and how this contributes to our healthy diet. The children will have the opportunity to taste different foods.

English

We are very excited about World Book Day on Thursday. All children are welcome to dress up as their favourite book characters and to bring in their favourite books. Parents and carers are welcome to join us in class 9.00-9.30 to share a story with your child.

Maths

In maths this week we are learning to make equal groups, we will then add together equal groups and finish the week by using these skills to double numbers.

Letters and Sounds

This week the children will continue Phase 5b, in which they will learn the alternative pronunciations for graphemes they already know. This week the children will learn the alternative pronunciations of the graphemes /i/, /o/ and /u/.

We will be having an educational visit to middle farm later in the term, information and consent forms will be sent via parent pay.
