

## **We are supporting St. Michael's Hospice Yellow Week with a Yellow Day on Friday 8<sup>th</sup> February, 2019**

### **What is Yellow Day?**

Yellow Day is the St Michael's Hospice annual event to raise awareness of the work they do and also to raise much needed funds.

### **Why are we doing it?**

Every year St Michael's Hospice supports over 1,300 patients, their families and friends as well as bereaved people throughout the catchment area. The cost of running the Hospice is £5,000,000 each year, so every donation, however large or small, helps them to provide specialist palliative care services to patients and their families throughout the Hastings and Rother area.

### **How can we help!**

Yellow Day is a fun opportunity for us to show our support for the Hospice. Pupils are asked to wear school uniform with either a yellow accessory (e.g. hairband, bracelet, socks), an item of yellow clothing or a full yellow outfit on Friday 8<sup>th</sup> February, 2019 and make a small donation.

**Thank you for your support!**
